AFFILIATION FEES and INSURANCE PREMIUMS 2018-2019

Dear President / Secretary / Treasurer,

In accordance with the Constitution and By-Laws of FWDSA, the annual affiliation fee is set at the AGM and becomes due within 60 days of the AGM. Fees for 2018 were set at \$20 per Primary Member¹.

FWDSA has adopted the "Australia Wide" insurance scheme that replaces the previous public liability scheme that clubs paid for individually. The premiums for 2018-2019 have been set at \$4.70 per membership (that is, **all** memberships). For this year, the period of insurance commences at 4pm on 30 June 2018 and finishes on 30 June 2019.

¹ Some members are members of more than one club. In this case they must nominate a primary club and pay the state affiliation fee of \$20 at that club. They must pay a separate insurance fee at ALL of the Clubs they are members of.

Club Database

As most will be aware, FWDSA maintains a database that records the details of each affiliated club. We use this information in a variety of ways, but the prime uses are:

1. Listing your club's details on the FWDSA Web site (see <http://www.4wdsa.asn.au/?page=members>)
2. Recording contact details so we know who to write to.

On the next page is an export from our database with the details we have recorded about your club. Please check the details and record any corrections on this form.
